What Makes Little Star Special

Little Star Foundation's special roots include: Andrea Jaeger was the #2 ranked women's professional tennis player in the world at the age of 16. Andrea helped children in hospitals, schools & on the streets during her pro tour travels.

Andrea Jaeger decided to give all of her professional tennis earnings, millions of dollars, to help children & those in need. Solely funded by Andrea, Research Programs for the Foundation started in the 1980's. Andrea Jaeger set a precedence.

Knowing children, families & communities endure suffering from cancer or trauma for more than a day, Andrea's Little Star Foundation was created to provide Long Term Care & a Better Quality of Life. Participants find fuller lives, increase motor skills, confidence & self-esteem & lead more engaging, purposeful & enjoyable lives, regardless of their diagnosis, trauma or challenge.

38 States in the U.S. & 11 countries have benefited from Little Star Foundation. Headquarters:
